India is my Pride

I pledged my life to a nation,
Right when I was born.
Come what may be situation,
I'll fight the raging storm.
I idolize my soldiers,
With love in every breath
Tri Colour on their shoulders,
Fills passion in my blood
To brighten up its future
I'll toil day and night .
Diverse and rich in culture,
My India is my pride.

Patriotism

**Some things can't just be expressed in words
My little eyes are wet, seeing the free flying birds
These are tears of happiness
Seeing birds flying up in the sky.
Thanks to the brave leaders, who faced it all,
Making tough time pass by
There may be many things, can't be lived without
But freedom is what I cherish the most.
Love can speak volumes even when words become
less
Love for freedom has left us blessed
Blessed is freedom, these moments we share
Let's learn to care for the people around,
Come let us sing together
For our beautiful Mother Land.**

I Love my Flag

**I love my flag my country's flag
The Saffron, the White and the Green
In the middle lies the Ashoka Chakra
With 24 blue straight lines
Saffron shows Courage and Sacrifice,
White shows Truth and Peace
Green shows prosperity and faith
With promise of harmony and brotherhood
I like the way it waves
I Love my Flag, my Country's Flag.**

My Mother Land

India is my mother land
I am proud to be an Indian
I love my country.

The colour of our flag is Saffron, White and Green,
Saffron is on the top

It reminds us to be strong, brave and courageous.

White is in the middle

It reminds us to be truthful and in peace

And Ashoka is in the centre,

Reminds us of our Dharma

Green is at the bottom

It reminds us to be prosperous and be filled with
life.

Mahatma Gandhi and our freedom fighters

Loved our mother land very much

They taught us to be in peace and unity.

I am thankful for their love and sacrifice.

I will love and care my mother India like they did.

My India

**Better than heaven or Arcadia
I love thee oh my India,
And Thy love I shall give
To every brother nation that lives
God made the earth
Man made confining country
And their fancy frozen boundaries
But with unfound boundless love
I behold the boarder land of my India
Expanding into the world**
