Ref. No: HCS/Notification 2023-24/02

30 May 2023

Subject: Early departure of Std.I & II due to traffic congestion.

Dear Parents/ Guardians,

All of you are aware of the traffic congestion at Nyokum Lapang when the school gets over. A good number of parents use individual vehicles for their single child. As far as possible it is good to opt for common transportation. Parents can arrange shared autos and taxis according to the sectors. Bearing in mind the traffic congestion created in our area, the school has decided to send the primary block students (Std 1 & 2) at 01:45pm from 30th May 2023. So that parents who come with individual vehicles to pick up their wards from the primary block can leave early. I believe this may lessen the stressful situation we all face. However, students who go by school buses will leave the campus after 02:00 pm only as the buses have to wait for High School children.

I would like to remind all the parents who come to the High School block to pick up their wards to park their two/four wheelers in front of the church without causing inconvenience to anyone. Kindly do not bring the vehicles near the school gate. It hampers children's movement and poses a serious threat to them. **No vehicle is allowed between the church entrance and the High School gate.**

Every child is precious. Everyone's safety is important. All of us are responsible.
Kindly treat this message as important.
